Keep these 5 silly words well-guarded in your mind, and find 1 or 2 other people to join you. **This demo version of the game is adapted for 2 or 3 players.** The final version can be played with up to 8 players.

OBJECT OF THE GAME

Get rid of all your cards and be **the FIRST to slap your hand on the Central Pile** of cards when you see a Match or a Special Card appear.

SETUP

Shuffle and then distribute all the cards evenly among players, face down. Players must not look at their cards while placing them in a draw pile in front of them, face down.

HOW TO PLAY

The person to the dealer's left puts a card into the center, face-up, saying "Taco".

The player on their left then puts their card face-up on top of the previous card, while saying "Cat". Play continues in this way (going "Taco", "Cat", "Goat", "Cheese", "Pizza", "Taco", "Cat", "Goat", "Cheese", "Pizza"... etc) until the following happens:

The card that has just been put down matches the word spoken by the player (e.g., they put down a 'Pizza' while saying "Pizza").

At this point, all the players must SLAP their hands on top of the pile of cards in the center, and **the LAST player to do so** takes the entire Central Pile, and puts the cards on the bottom of their Draw Pile. Then that last player starts off the next round saying "Taco", the next player, "Cat" next "Goat"... etc.

In Addition: When a player has used all their cards, they continue to say "Taco", "Cat", "Goat",

... etc. in turn, **and still have to SLAP the pile** when a match occurs or if a special card appears.

Flinching: If any player slaps incorrectly, or even starts to but jerks their hand back ("flinches") they forfeit the round and pick up all the cards in the center.

Pace: You have to keep a steady fast rhythm to the game. If you break it by forgetting what you're supposed to be saying or by not noticing it's your turn, you have to pick up the cards.

Special Cards: There are 3 special cards included in the base game, only the Gorilla is included in this demo version. All players must complete the action below immediately when it is revealed, and then SLAP the pile. If a player carries out the wrong action or is the last to SLAP the pile, they must pick up all the cards.

Gorilla: All players beat their chest.

END OF THE GAME

The game ends when a player with no remaining cards is **the FIRST to correctly SLAP** a match or special card!

Cut along the lines!
