

# DRAGOMINO™

- 1 – Print in recto-verso
- 2 – Cut out each shape
- 3 – Glue the rings from the largest to the smallest
- 4 – Stick the dragon's head and paws on the rings!

BRUNO CATHALA, MARIE ET WILFRIED FORT

MAËVA DA SILVA ET CHRISTINE DESCHAMPS

You have been appointed "dragon trainer" and you have the chance to meet the baby dragons on a mysterious island. But you are not the only trainer sent to these lands. Connect identical landscapes to hatch as many baby dragons as possible! Easy to explain and understand, Dragomino is a first strategy game where children are passionate about exploring the island and collecting dragons.
