TACO

KITTEN

PIZZA™

Taco, Kitten, Pizza!

These 3 pals are super cute and pop up when you least expect them. They love it when you remember their names and call for them at the right time!

GAME CONTENTS

42 playing cards:

- 11 Taco cards
- 11 Kitten cards
- 11 Pizza cards
- 9 Candy cards

GOAL OF THE GAME

Be the first player to get rid of all your cards.

SETUP

Thoroughly shuffle the cards and give each player:

- From 2 to 4 players → 10 cards
- With 5 or 6 players → 7 cards

All players place their cards in a personal, face-down draw pile in front of themselves.

The player who most recently ate a piece of candy is the first player.

HOW TO PLAY

The first player starts the game, and then the other players carry out their turns in clockwise order.

On your turn, announce 1 of the following 3 words: "Taco", "Kitten" or "Pizza".

Then take the top card from your personal draw pile and flip it face up in the center of the table.

This creates a central pile of cards.

Important:

To make sure you don't see your card before anyone else, grab it at the top and flip it towards the other players.

It's a match!

If the card you flipped corresponds to the word you announced, it's a match!

Continue immediately, by announcing a word of your choice again and revealing the next card from your draw pile.

Candy!

If the card you flipped is a Candy card, all players must slap the central pile as fast as possible. The fastest player - i.e. the player with their hand on the Candy card - now takes their turn by announcing the word of their choice.

No match?

The turn passes to the player on your left.

END OF THE GAME

The first player to get rid of all the cards in their personal draw pile is the winner.
